Important points to be read by the Candidate and her/his Parent

- **Provisional admission of students into Std. 11 who do not submit an eligibility application or whose eligibility is rejected by the Board will be cancelled by the College, and the Std. 11 result of such candidates will not be declared.**

- Applications are forwarded by the College to MSBSHSE, which is authorized to grant or reject the eligibility application. The College is not responsible for the same. **Fees paid by the candidate, including late fees, if any, applicable towards eligibility, are non-refundable, irrespective of whether eligibility is granted to the applicant or rejected.**

- Delay in submission of the complete application, including eligibility fees, by the candidate will, in turn, cause a delay in processing the application by the Board. Therefore, it may be too late to carry out any further process after obtaining the eligibility late or learning at a later stage that the application has been rejected. In such situations, the College will not be responsible in any manner whatsoever for the consequences arising out of the same.
